COYOTE HAZING FIELD GUIDE

WHAT IS HAZING?
 Hazing simply means scaring a coyote away. Coyotes are members of the dog family, and just as we train our dogs to adopt good behavior, we can reinforce a coyote's natural instinct to avoid people without harming them.

HAZING TOOLS
Noise makers: your loud voice, whistles, pan lids, shaker cans (soda can filled with pennies & wrapped with foil)
Surprises: motion-activated lights, garden hose, spray gun filled with vinegar water.

HOW SHOULD I HAZE?
 The more dominant you act, the better the coyote will get the message that you are something to be afraid of! Keep at it until the coyote leaves.

LIBRARY EVENTS

CELEBRATE THE 75TH ANNIVERSARY OF CASABLANCA

In conjunction with the anniversary of the classic film that was "made in Burbank," the library will host two events:

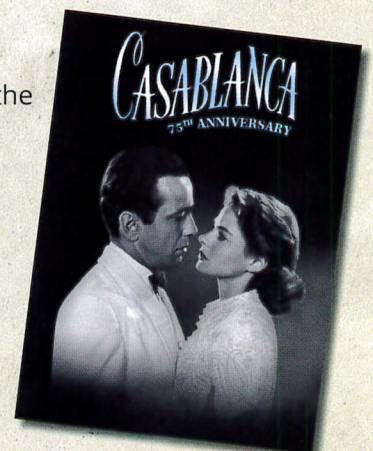

A special screening of *Casablanca* on Tuesday, January 9 at 6:30 p.m. at the Buena Vista Branch Library, 300 N. Buena Vista Street.

Our second program will be an author talk with Alan K. Rode. His newest book, *Michael Curtiz: A Life in Film*, is about the Academy Award winning director of over 180 films who worked at Warner Bros. for twenty-seven years.

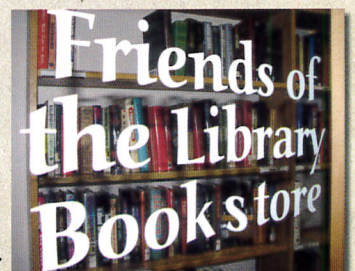

At 7:00 p.m. on Tuesday, January 23, the day that *Casablanca* first appeared in movie theaters in 1943, Mr. Rode will be in conversation with George Feltenstein, Senior Vice President, Theatrical Catalog Marketing, Warner Bros. Home Entertainment discussing **Michael Curtiz and the Making of Casablanca**.

It promises to be a memorable month at the library for all fans of *Casablanca*, Warner Bros., and Hollywood's "Golden Age."

SECOND LIBRARY BOOKSTORE OPENS

The Friends of the Burbank Public Library hosted a grand opening on December 2 at their newest bookstore location. Inside the Central Library, 110 N. Glenoaks, you will find gift-quality books for children, teens, and adults. The store is open Monday – Saturday, noon to 6:00 p.m. Stop in and support your Library by supporting the Friends.
